

Corporate Profile

Buildex is one of the worlds leading manufacturers and suppliers of self-drilling screws and fasteners.

Established in Australia since 1917, the ITW Buildex head office is based in Melbourne Victoria, with an on-site manufacturing plant producing hundreds of millions of self-drilling screws annually, from roll-forming to threading, alloy plating to head painting, including stainless steel fasteners.

The manufacturing plant in Moorabbin, Melbourne is 19,500 square metres in size and consists of ten shape change lines, two heat treatment furnaces, four climaseal barrels, seven neo assembly machines, four high speed automatic head painting lines and two packing lines.

Buildex has sales, warehousing, technical service and despatch facilities across Australia and exports to 18 countries throughout Asia, Africa, Europe and the Pacific.

Buildex is pleased to announce the opening of an office and warehouse facility in Dubai to service the Middle East and Indian sub-continent.

Buildex is committed to being the leading manufacturer and marketer of construction fastener solutions based on:

- Innovative Fasteners,
- Outstanding Quality,
- Uncompromising Customer Service

- **Buildex** manufacturing plant at 600 South Road Moorabbin, Victoria.
- **Buildex** Fasteners are made to exacting high standards of quality and are subjected to strict inspection and testing procedures.
- **Buildex** Fasteners are available in a choice of finishes that comply with both Australian (AS3566) and International standards, to provide maximum endurance over a wide range of climatic and environmental conditions.
- For every type of application, **Buildex** has the appropriate fastener solution. All **Buildex** fasteners are designed to do their particular job more efficiently and effectively than conventional fasteners. When you are using **Buildex** Fasteners you are using the most modern fastener available.
- **Buildex** is Australian quality endorsed to ISO9001 and committed to developing modern, innovative products with constant research and development.
Buildex is the pacesetter in the design and manufacture of fasteners for the building industry.
- National Call Centre is manned by experts who can assist with all product & technical enquires and sales support.
